Subject:—

Award of Foreign Scholarships during 1914-15.

In Government Order No.2444-5/Edn.2-14-19 dated 9th January 1915, the award of the undermentioned scholarships of £200/- each per annum during 1914-15 has been sanctioned:-

1.Damodar Das Scholarship for 3 years for Mechanical Engineering

1 State Scholarship for 1 year for systems of Education

1 -----do--------- for 2 years for Banking

1 -----do--------- for 1 year for paper manufacture

and 5 loan scholarships for 2 years each in the first instance preferably for commercial subjects.

The recommendations of the Committee appointed by Government for selecting candidates in connection with these scholarships have been carefully considered by the Council, who are of the opinion that their recommendations may be accepted in all cases except those regarding the scholarships for systems of ------ Education and Paper manufacture. Among the persons recommended for Loan Scholarships the Inspector General of Education reports that he has not heard from Mr. Chamaraj Urs in reply to an ---

enquiry. His name may therefore be omitted. The Council consider that the scholarship for Paper Manufacture may be -- granted to Mr. R. Sitharama Rao, B. Sc., the second of the -- two candidates recommended by the Committee, while the question -- about the other scholarships is receiving further consideration.

The proposals of the Council may be approved.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
B A N G A L O R E.

Sir,

With reference to Government Order No.2444-45/Edn.2-14-119 dated 9th January 1915 sanctioning the award of Foreign Scholarships for 1914 15 and Government Order No.2439-41/Edn.2-14-121 dated 9th January 1915 appointing a Committee for the selection of candidates in connection with the said scholarships, I have the honour to submit herewith a list of applicants together with the applications in original and to state that the Committee which met on the 2nd instant resolved to recommend the award of the scholarships to the candidates noted in the accompanying list. For each subject for which a scholarship has been sanctioned by Government, two candidates have been recommended. The first is considered by the Committee to be the most eligible and the second as the next eligible, to be considered only in case the first should decline the scholarship, if awarded.

For the five Loan Scholarships five candidates as noted in the list are recommended. Mr. M. Chamaraj Urs applied for a scholarship in May 1914 and has not renewed his application nor has he replied to an inquiry made by me regarding his present intentions.

In this connection I invite your kind attention to your Unofficial Note No.89-14 dated 8th February 1915 suggesting the desirability of

of giving some local training in the case of the candidate selected for Banking before he is sent to America, and to state that each of the candidates now recommended by the Committee for Banking has had sufficient local training and may therefore be sent to America without any more training in this country.

Your Unofficial note No.94-14 dated the 5th February 1915 in connection with the application of Mr. P. Subba Rao, Sub-Assistant Engineer, for a foreign scholarship to study Engineering is returned herewith as his case is included in the recommendations made by the Committee.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shamaka Rao.

OFFICE OF THE INSPECTOR GENERAL OF EDUCATION
IN MYSORE,

Bangalore, 11th June 1915.

Dear Mr. Balasundaram Iyer,

I enclose a D.O. from Mr. Rose to me containing his advice to Mr. P. Subba Rao to take a course in Banking in London in preference to America. I quite agree with his views, more especially as Mr. Subba Rao is likely to get a much larger acquaintance with professional Bankers and a deeper insight into European Banking in London through the introduction of Mr. Rose.

As Mr. Subba Rao has arranged to leave this country on the 26th instant I request you to obtain early orders of the Dewan for Mr. Subba Rao going to London for the study of Banking.

Yours sincerely.

S. Rama Rao.
